Dear Kinna,

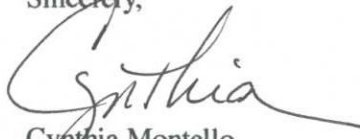

Words cannot express my gratitude for all your help with the Extreme Makeover: Home Edition event. Everyone went above and beyond the call of duty to help with this amazing effort. We ended up feeding over 400 people four meals a day and did it all at no cost to Builders Care, the charity involved in the build.

As the event began to progress and get media attention, restaurants began to just show up and deliver food. It was always at the most perfect time as there were times we simply ran out of food and miraculously another restaurant would walk in the door with meals. There were a couple of times when God pulled a fishes and loaves miracle and food for 150 turned into food for 400 and no one left hungry.

The supplies and the fresh fruit were a lifesaver and I don't know what we would have done without the refrigerated truck. I am so grateful for your generosity.

The show is due to air sometime in mid April on Sunday at 7 p.m. on ABC. Thank you again for your help.

Sincerely,

Cynthia Montello  
President
