Dear Mr. Foley,

We here at Field of Greens would like for you to know how much we appreciate a few of your employees.

First off, we cannot express our gratitude and appreciation for Troy Nelson, our delivery driver. You are undoubtedly extremely lucky to have this man on your team! He ALWAYS goes above and beyond to make certain that we have what we need, when we need it. He is always helpful, positive and professional and shows as much concern for our business as we do. He really went above and beyond when he knew he would be working out of town and we expressed concern for our deliveries. He actually brought Allen Anderson, who would be replacing him for this time, by to introduce him to us. This was so sincerely appreciated and put us at ease knowing Troy would be out of town. Though we missed Troy, Allen took good care of us while Troy was gone and we were thankful that we had been able to meet him ahead of time through Troy's thoughtfulness. Allen was always on time with everything we needed and even gave us his cell phone number, in case of any concern. Again, we want you to know how much we appreciate Troy for taking care of us even when he wasn't physically there!

Our representative, Paul Wallace has also been extremely helpful and also shows as much sincere interest and concern for our business. Paul always spends extra time with us trying to find us the best products at the best prices. Knowing we are a salad restaurant and attract many vegetarians, Paul suggested an eggplant sandwich. He brought by some prepared eggplant which we loved, but felt it was too expensive. He suggested fresh eggplant prepared ourselves. Long story, short: Our most popular new

sandwich is called the "Grilled Feroz" and made simply of fresh, marinated, roasted eggplant, mozzarella cheese and grilled on our multi-grain bread!  
Many thanks to Paul for caring about our business!!  
Our sincere thanks and gratitude to you, Mr. Foley and to Cheney Brothers for having such a great team of helpful, caring employees!!
